# December 2011

From the C.D.

Hello everyone and we hope that you had a happy Thanksgiving with family and friends. Christmas is right around the corner and we hope you are getting ready for the celebration of Christ. We would like to thank Pat and Clarence for the door prizes for our last gathering, and wish them well with their new to then Goldwing. Our Christmas Party will be on the 17<sup>th</sup> of Dec starting at 5:00 PM at Murl and Ruth's home in Reidsville, directions to Murl and Ruth's home to follow later. Please bring a covered dish or a desert for the party. Gifts will be exchanged, men to bring mans gift and ladies to bring ladies gift. Cost of gifts to be around \$20.

Our November meeting /gathering was held at the Cedar Tree in Midway as our old meeting place, the Western Sizzlin in Hinesville has closed for remodeling. We spoke with the owners of the Cedar Tree and they said they would be glad to host our meeting in January while we try to find a new meeting place. Everyone seemed quite happy with the food and service at the Cedar Tree and we had great attendance for the meeting.

We have a couple of rides coming up prior to our next gathering. The Savannah Toy Run on December 3<sup>rd</sup>. We have done this ride before. This year we will start from the parking lot next to the Bass Pro shop at the Savannah Mall. Sign in starts at 9:00 -10:30 and leaves at 11:00 AM to the wingman's club house, as we did last year we will break off and travel to Fud Ruckers for lunch with E-2. Hope to see you all there.

Our next ride will be with E-2 on New Years day to Mud Cat Charlie's. Details to come out later via e-mail.

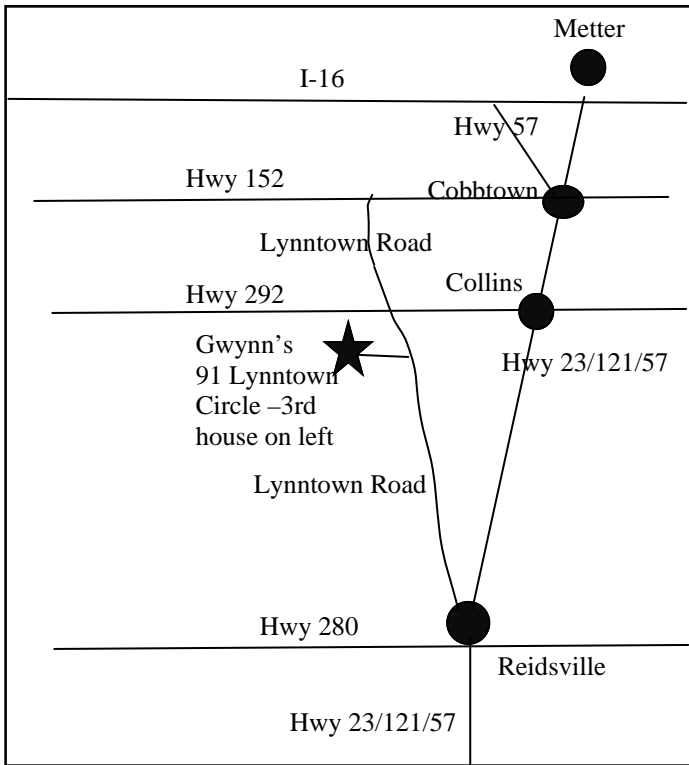

We would like to wish everyone a Merry Christmas and a Happy New Year.

John & Joann

### *Rider Education*

Hello Wingers,

This is the time of year that is great for riding, but it can be cool in the morning and the evening. You need to dress in layers so you can take some off or put some on. If you don't feel you have enough on, you can always use your rain suit for another layer and stop the wind from going through. Just remember to carry something to add another layer when needed.

Drive carefully----- It's not only cars and motorcycles that can be recalled by their maker.

When everything is coming your way, you may be in the wrong lane.

Ride to be seen with bright lights on during daylight hours. Remember, you are the most important safety item on your bike.

Alan & Jane Moore C/E

P. S. I hear it is embarrassing to drop your wing while in reverse. Don't ask me how I know this.

Alan
